

18/05/18

Dear Parents,

After the Half Term holiday, we have the privilege of welcoming children (10 years old) and staff from Denmark and France to Peniel school, as well as welcoming teaching staff from Italy as part of the Erasmus project. The children and staff will spend two days here in Peniel and two days in Ysgol y Dderwen. This will be a fantastic opportunity for the children of Peniel to make new friends and show their school and culture to the visitors.

The staff of Peniel and Dderwen have been busy preparing a full week of activities within the school and beyond. The visitors will have opportunities to observe lessons and also participate in activities with Key Stage 2 classes.

We will be offering these additional activities to Peniel children:
