PARENTS AND FRIENDS ASSOCIATION

Dear Parents/Guardians,

It is with great sadness, following a letter from the PFA a few weeks ago asking for volunteers to step onto the association's committee, the response was very thin. The Parents and Friends Association is an independent committee separate from the school, but over the years the school and society have worked well together for the benefit of the learners.

Over the past year, the society's tireless work has raised an incredible amount of money that has enabled the school to:

- Offer free buses to extracurricular activities
- Offer discount on class trips
- Offering activities such as welcoming the 'Welsh Whisperer'
- purchase i-pads and interactive screens for key stage 2 classes
- purchase of external equipment and resources for the foundation phase
- Paying for an external class for key stage 2
- Paying for the costs of the cookery club
- Buying software and apps for the children

Certainly as a school, purchasing all of the above resources would not have been possible in the current economic climate without their generous contribution.

Without a PFA committee, I am deeply concerned about the impact this will have on what the school can provide for your children, in addition, we will have to charge extra costs to you as parents for everything. Something we want to avoid.

I urge you parents to consider becoming a member of the PFA committee. Please kindly contact the the school or e-mail me if interested by the 15th November.

Yours sincerely,

Miss E H Powell
