Pennaeth/Headteacher
Miss E H Powell

Rydyn wedi penderfynu dynodi wythnos 13/01/20-17/01/20 fel wythnos o weithgareddau ecolegol yn yr ysgol. Er mwyn annog arfer dda, mae'r Pwyllgor Eco wedi penderfynu ar thema o leihau'r defnydd o blastig, felly bydd gweithgareddau'r wythnos yn cwmpasu hyn. Prif brosiect yr wythnos fydd i greu 'clwt cwyr' yr un, gan ein bod ni eisiau bod yn ysgol heb 'cling film'! Bydd y plant wrthi'n creu'r clytiau ar ddydd Mawrth 14/01/20, felly os hoffech ddod i helpu plîs dewch! Bydd y Pwyllgor Eco yn creu clytiau ychwanegol i werthu ar ddiwedd y dydd am £1 yr un hefyd.

Fel rhan o'r Wythnos Eco gosodir her gwaith cartref i chi ddarlunio / ysgrifennu un peth rydych yn mynd i newid (neu efallai wedi newid yn ddiweddar) er mwyn helpu lleihau'r defnydd o blastig defnydd sengl.

Mae Cynllun Eco Ysgolion yn seiliedig ar wyth maes testunol sy'n uniongyrchol berthnasol i faterion y mae pob ysgol yn gorfod eu hwynebu:

- | | | |
|-----------|-------------------------|----------------|
| -Sbwriel | -Lleihau Gwastraff | -Tiroedd Ysgol |
| -Ynni | -Dŵr | -Byw'n Iach |
| -Cludiant | -Dinasyddiaeth Fyd Eang | |

Os oes gennych ddiddordeb ac am gyfrannu tuag at unrhyw un o'r meysydd uchod, cysylltwch â'r ysgol.

Diolch yn fawr am eich cydweithrediad.

We have designated the week 13/01/20-17/01/20 as a week of ecological activities to improve and promote good sustainability practice in school. The Eco Committee have decided to concentrate on reducing the use of single use plastic, therefore the activities of the week will be based on this theme. The main project will be to make a beeswax cloth each, as we'd like to be a 'Cling Film Free School'! The children will be making the cloths on Tuesday 14-01-20, we'd appreciate any help on this day so please come along if you can! The Eco Committee will make extra cloths to sell at the end of the day for £1 each.

As a part of our Eco week all classes have been given a homework challenge of drawing / writing one change you will make (or have recently made) in order to reduce the use of single use plastic.

Thank you for your co-operation.

The Eco Schools award programme is based on eight topic areas that directly relate to issues generally faced by schools:

- | | | |
|------------|---------------------|-----------------|
| -Litter | -Waste Materials | -School grounds |
| -Energy | -Water | -Healthy Living |
| -Transport | -Global Citizenship | |

If you are interested and wish to contribute towards any of the above please contact the school.
