Dear Parents / Guardians,

We are contacting you with the following COVID-19 Government guidance, and what we as a school are doing to protect others and to stop the spread of the virus.

Current Situation

- The school remains OPEN until further notice from the Government.
- We have cancelled all trips, meetings and event within the school.
- All pupils should attend school unless they are ill:
- If you child shows any of the following symptoms they should stay at home for 7 days – notifying the school of their absence.
 - NEW Continuous cough
 - High Temperature

What children need to do?

- Wash their hands often with soap – especially after arriving at school, after break times, after visiting the toilet, and before and after food.
- Ensure that they cover their mouth/nose whilst coughing or sneezing (then placing the used *tissue* in the bin)
- Avoid touching their eyes, nose and mouth with hands that have not been washed.

What we ask from you?

- Talk to your children about the Coronavirus. It is anxious time and we need to make sure that all children feel safe and supported.
- Instead of coming into school to pass information, please phone or email the school admin@peniel.ysgolccc.cymru.
- ONLY come into the school if it is ESSENTIAL to do so. If it is, make sure you wash your hands on arrival and before leaving.
- Contacting the school straight away if your child is ill.

The Future!

It's impossible to predict what the Government's next steps will be. Regardless, using common sense and flexibility is a must whilst we adapt to these developments. We will REMAIN OPEN until the Government guidelines state otherwise. We will update you as soon as we know anything.

Thank you for your continuous support and your co-operation as we deal with this matter.

E Powell
